

Mind in the Making

Everything Your Child Needs

Interaction matters! For young children, interaction with adults powers the brain. Come learn, laugh, and leave with positive parenting strategies to empower you and your child. All families will leave with a special gift for their child.

Registration for Mind in the Making

McAvinnue Elementary School at 131 Mammoth Rd. Lowell, MA

November 13, 2017 5-6:30PM

Event Description:

Interaction matters! For young children, interaction with adults powers the brain. Come learn, laugh, and watch how brain research can be applied to your parenting. This interactive session will empower parents to foster positive interactions at home that will support their child's social, emotional, language, literacy, and physical development through daily routines and play. Families will learn they have all the power to grow their child's brain and promote learning at home!
