September 29, 2015

Dear Friend of the Lowell Public Schools,

Please join us on Wednesday, October 14, 2015 from 7:00PM until 8:30PM at the Lowell High School Freshman Academy's Burgoyne Theatre, at the corner of Paige and John Streets, for the kick-off of an exciting community project entitled:

*Lowell: Imagine Our Future  
Building a National Model of Urban Education*

You are invited to engage with community members from across the city to celebrate and participate in the creation of a five-year strategic plan aimed at ensuring that the tradition of high quality education for the children of Lowell continues and progresses into the next decade. The evening provides a unique opportunity for stakeholders to come together to provide input around the future direction of Lowell Public Schools.

In the event that you cannot attend the kick-off, the first working meeting will take place on the evening of October 28, 2015 at 144 Merrimack Street. More information will follow.

In addition to your participation, we hope that you will share information about this opportunity with members of your organization and extend our invitation to all that share our excitement for learning and our future as a community.

Sincerely,

Salah E. Khelfaoui, Ph.D.  
Superintendent of Schools
