Please join us at a community forum to raise awareness about prescription drug abuse and opioid addiction. The Greater Lowell area has been hard hit; experts and community stakeholders will outline what is being done to combat this epidemic.

- ▶ How prescription drug abuse and opioid addiction affects all members of our communities.
- ▶ The facts about the disease of addiction, the options for treatment and the realities of recovery.
- ▶ NARCAN-training available.
- ▶ View "HIDDEN IN PLAIN SIGHT" an awareness program for parents.
- ▶ About resources, and what is being done by our community leaders.

WHEN: MONDAY, NOVEMBER 9, 2015
