

October 5, 2024

Dear Community Partner,

We are excited to announce that the **Merrimack Valley Substance Use Disorder Summit** will take place on **Thursday, December 12, 2024**, at the **Westford Regency** in Westford, Massachusetts. This event will bring together service providers from across Merrimack Valley, uniting every corner of the substance use field to tackle one of our region's most pressing challenges.

Why is this summit so crucial?

Navigating the complex web of resources in the areas of substance use disorder can be overwhelming. By coming together, we aim to streamline this process and ensure that anyone in need can more easily find the support they deserve.

Substance Use Disorder continues to ravage our communities, and our current system of care is too often fragmented. Services are duplicated, some vital resources are underutilized, and others are simply unknown. Our goal is to foster collaboration, spark new partnerships, and ensure every service—big or small—is visible and accessible.

We believe this summit will offer a unique opportunity for providers of all sizes to connect, collaborate, and share their work. We welcome everyone to the table, and by joining forces, we hope to build the most comprehensive, up-to-date list of available resources in the Merrimack Valley.

To ensure all providers, regardless of budget, can attend, we are keeping the cost of attendance at just \$25-\$50 per person. To make this possible, we invite you to sponsor this vital event. Your support will directly help reduce costs for treatment providers and allow broader participation from organizations with limited funding.

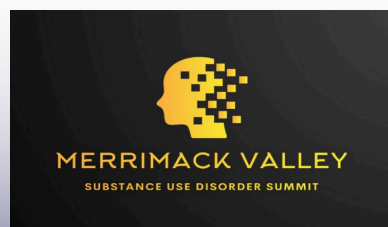

Please see the enclosed details on sponsorship opportunities. Every dollar contributed has a direct impact on the health and well-being of our communities.

To discuss how your organization can get involved, please reach out to **Kerrie D'Entremont** at the **Greater Lowell Health Alliance** via email at kdentremont@greaterlowellhealthalliance.org or by phone at 978-483-8056.

Thank you for your time and consideration. Together, we can make a meaningful difference.

Warm regards,

Kerrie D'Entremont
Executive Director
Greater Lowell Health Alliance
